Attorney for Appellant

March 4, 2014

Pursuant to Federal Rule of Appellate Procedure 26(b) and Federal Circuit Rule 26(b), Appellant respectfully moves for a 30 day extension of time, to and including April 10, 2014, in which to file its principal brief. Appellant's principal brief is currently due March 10, 2014. Appellant has not previously requested any extensions of time in this matter.

Good cause exists for the requested extension. The parties have not completed their cross designations of the Joint Appendix and, because of the closure of the U.S. Patent and Trademark Office (including the Solicitor's Office) yesterday due to a snow emergency, do not anticipate being able to complete that task according to the current schedule. For the same reason, this motion could not have been brought yesterday. See Exhibit A, Declaration of Timothy G. Newman.

Counsel for the parties have conferred, and counsel for Appellee Commissioner of Patents does not oppose the motion.

For these reasons, Appellant respectfully requests that this motion be granted and that Appellant be allowed until and including April 10, 2014 to file its principal brief.

Respectfully,
